# Pythonic.nl

software engineering & artificial intelligence

Pythonic.nl is a one man company delivering high quality software products.

ABOUT PHYTONIC

Pythonic

Modern, idiomatic, documented, tested and carefully nurtured software products. Although not afraid of other languages, Python is the language of choice.

VIEW PROJECTS

Scientific

Deep knowledge of scientific code, methods and culture. Ambitiously transforming prototype code into production ready software products.

VIEW CV

Data processing

Working in astronomy resulted in experience with handling massive amounts of data. Educated in the field of artificial intelligence.

VIEW PUBLICATIONS

DockerCon 2014

A talk at DockerCon about software containerisation in radio astronomy.
